

MEGRAM

www.megram.com

SUMMER SPECIAL - 2010

<http://www>

No website?

We can develop one for you that will fit your budget. In appreciation of your business, we will register a name for a year and provide free hosting for two months - a \$75 value!

Outdated website?

We can develop a new one for you that is fresh and Goggle friendly that will not break the bank. And move to Megram and get free hosting for three months - a \$110 value!

- no transfer or setup charges
- no hidden costs or surprises
- professional designs - no templates
- personal and friendly service
- our servers in Montreal - no third party
